

***Access Indiana Information Network***  
***Electronic On-line Service Authorization and Rate Request***

**Date Proposed:** July 8, 1997  
**Request Number:** 1997-6  
**Rate Period:** Indefinite

Summary:

Consistent with the Indiana statutes governing access to public records, the Indiana Intelenet Commission, the State of Indiana Broad Agency Announcement 95-39, the Network Manager Proposal of Indian@ Interactive, Inc., and the contract dated August 17, 1995, with any amendments thereto, between the Indiana Intelenet Commission and Indian@ Interactive, Inc.; Indian@ Interactive, Inc. being so authorized as Network Manager for the Access Indiana Information Network (AIIN) does request and recommend that the Enhanced Data Access Review Committee of the Indiana Intelenet Commission (EDARC), by and through its authorized officer or agent, approve and authorize the Network Manager to create, implement and offer to the public the AIIN services proposed in this document. In addition, the Network Manager also requests and recommends that EDARC approve the interactive on-line electronic access per-minute and per record search fees per service offered as detailed in this document. Such funds collected for AIIN services by the Network Manager will be used in accordance with the contract mentioned above. It is understood by all parties that the rates requested in this document per service are the maximum allowed and will be published in the AIIN fee schedule and Service Agreements. The Network Manager reserves the right at its own expense to offer any and all AIIN services at any rate less than the maximum amount approved in this and any future rate requests.

**Service Request 44:**            Approval of New Agency Agreements

In accordance with the authorities cited above, the Network Manager requests and recommends that information developed by AIIN for online access from the following agencies be made available for search and download through AIIN at **no fee, unless otherwise specifically approved in a separate Service Request**. Each of these agencies has returned a signed copy of the Standard Interagency Agreement. Each will be required to sign a final copy of the Standard Interagency Agreement. The agencies are:

1. Indiana Tax Court
2. Citizens' Commission on Taxes

**EDARC Action:**    **Approved**\_\_\_\_\_            **Disapproved**\_\_\_\_\_

**Service Request 45:**            Electronic Water Permit Filing

**Access Indiana Information Network**  
**Service Request to EDARC**  
**p.2**

In accordance with the authorities cited above, the Network Manager requests and recommends that **Electronic Water Permit Filing** for DNR - Div. Of Water be made available by the Network at an additional charge. AIIN will provide a process by which AIIN subscribers can electronically file a permit application with the DNR - Division of Water. The initial development of this project will allow for the electronic submission of the information found on the current application form. While necessary attachments, such as maps, will not be included initially, AIIN will continue to work with DNR to develop this functionality. Upon electronic acknowledgment by DNR to both AIIN and the filer, including application number and appropriate permit fees, AIIN will be responsible for collecting all appropriate fees for the permit, including the AIIN service fee, and guarantees payment to DNR on a monthly basis. Permit fees incurred in a given month will be payable by AIIN to DNR by the last day of the following month. The AIIN service fee to filers for EACH permit will be \$15. Access to check permit status on the DNR - Division of Water application database will be available to subscribers and non-subscribers at no additional cost. Revenue from this service will be used for the general operation and development of the Network.

**EDARC Action:**      **Approved**\_\_\_\_\_      **Disapproved**\_\_\_\_\_

**Service Request 46:**      Driver Alert

In accordance with the authorities cited above, the Network Manager requests and recommends that **Driver Alert** be made available by the Network at an additional charge. AIIN will provide a process by which AIIN subscribers who employ drivers can submit a list of their drivers' licenses and AIIN will build a database in which the driving record will be stored, reviewed and compared through BMV each month with the prior month, and the employer alerted via email of any changes in the driving record. The AIIN fee requested for this service is \$75. per driver. Revenue from this service will be used for the general operation and development of the Network.

**EDARC Action:**      **Approved**\_\_\_\_\_      **Disapproved**\_\_\_\_\_

**Signed**\_\_\_\_\_      **Dated**\_\_\_\_\_

**Chairman**  
**Enhanced Data Access Review Committee**  
**of the Indiana Intelenet Commission**

Respectfully Submitted,

\_\_\_\_\_  
William F. Bradley, Jr.  
Network General Manager
